

## **“TRADED BY BARTER” PRAYER COLLECTION**

*(This is a follow up to an earlier message)*

*For you know that it was not with perishable things such as silver or gold that you were redeemed from the empty way of life handed down to you from your forefathers, but with the precious blood of Christ, a lamb without blemish or defect. 1 Peter 1:18-19NIV*

### **FEW BASIC INSTRUCTIONS BEFORE YOU USE THIS.**

It is important that you understand that you are moving into the spiritual dimension as you use this Prayer Collection. There is no consequence if you just read through but we are focused on those who will use this for deliverance purposes.

To be redeemed as the bible means it, implies that we have been bought back from an earlier transaction. (You may need to read the main message again) Note the phrase, “Handed down...” Our parents and leaders handed some things down and it does not matter if you know it or not. For believers this is good news and there are those who are well positioned in life today because of this. Some of these things are materials like fragmented families, court cases, land disputes and enmity. Yet, there are those that what they got are spiritual problems associated to satanic covenants and curses.

We suggest that every believer in the Lord Jesus Christ should use this Prayer Collection.

We won't fail to warn that our Prayer Collections is for believers in Jesus Christ. If you are not born again but are ready to do it now, kindly reach out to us or the person that sent this to you. We will help you. We cannot guarantee your safety if you try to use this Prayer Collection without giving your life to Christ.

Like we always advise when you use our Prayer Collection, expect manifestation of demons, vomiting and coughing because these are indications that demons are leaving your body. Clean yourself up and continue with the prayers.

Don't stop praying if you notice strange atmosphere of fear and voices of unseen beings threatening to kill you if you continue. It means those demons are losing their grips on you.

You may feel headache, dizziness and abdominal movements but persist in prayers until peace returns around you.

The manifestation will be more for first time users of our Prayer Collection but will diminish until it fizzles out as you use it for more than one day.

You will experience deliverance and divine peace if you use this Prayer Collection as stipulated
