## **INTRODUCTION**

These prayer collections are verity and you have to take them as you are led but let me suggest something here

- a. You may back them with fasting
- b. You may take each group for a particular and go through them in circles until the end.
- c. It is important that you raise a Seed Faith to present before the altar as a token of your confidence in the answers
- d. You may call us if you need any help.

# PRAYER NETWORK FOR UNIVERSAL REVIVAL (PNUR)

## VISIT MY ARSENAL

Join me now as we visit my arsenal; these are prayer topics I have used and taught my members to use. Many have testified to wonderful results. Take note that as you start using them the devil will try to discourage you through fatigue, distraction, and at times you hear voices telling you that your prayers are amounting to nothing. At times you receive threats in your dream that you will die if you do not stop using the prayer topics. All these are empty noise from the devil and his agents whose only agenda is to try to stop you from disturbing their devilish programs. Doing these prayers with fasting is very good as it lends you more spiritual force. You can bring in a prayer partner if you wish. You may need to read my book on fasting and prayers.
